

1

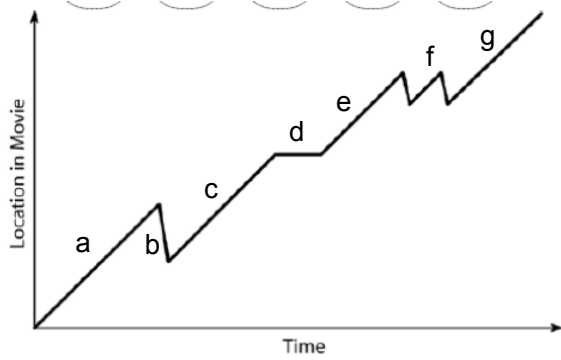

1. Go to my website and click on Algebra - Unit 2
2. Download and open the link called "mellow yellow"

Which graph represents the following situation? Horatio jogs up the hill at a steady pace, then he accelerates (speeds up) as he goes down the hill?

Can you draw a graph of the same scenario, but with elevation on the y - axis?

d

Your friend calls again and you pause the movie.

b

Your friend calls and you miss part so you rewind.

g

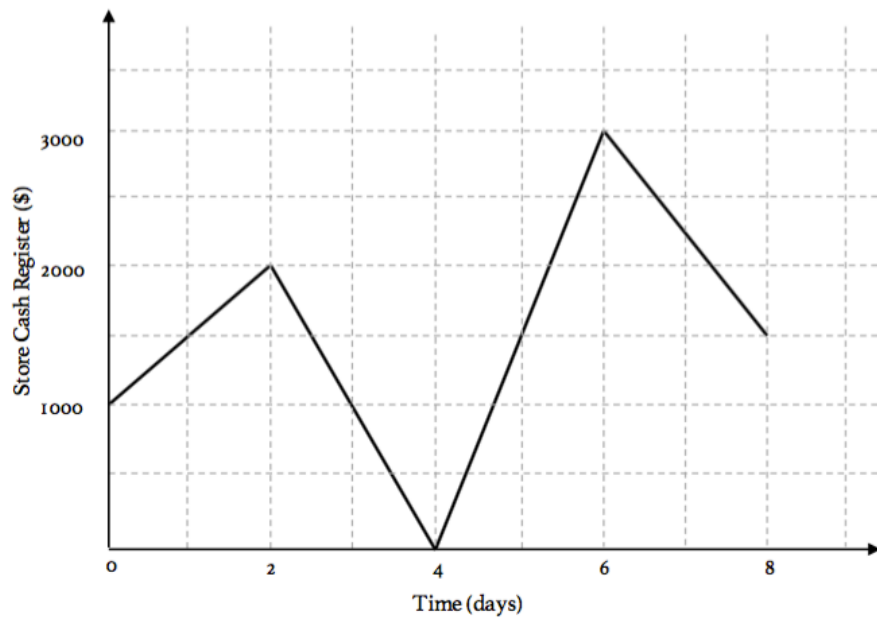

You finish watching your favorite movie.

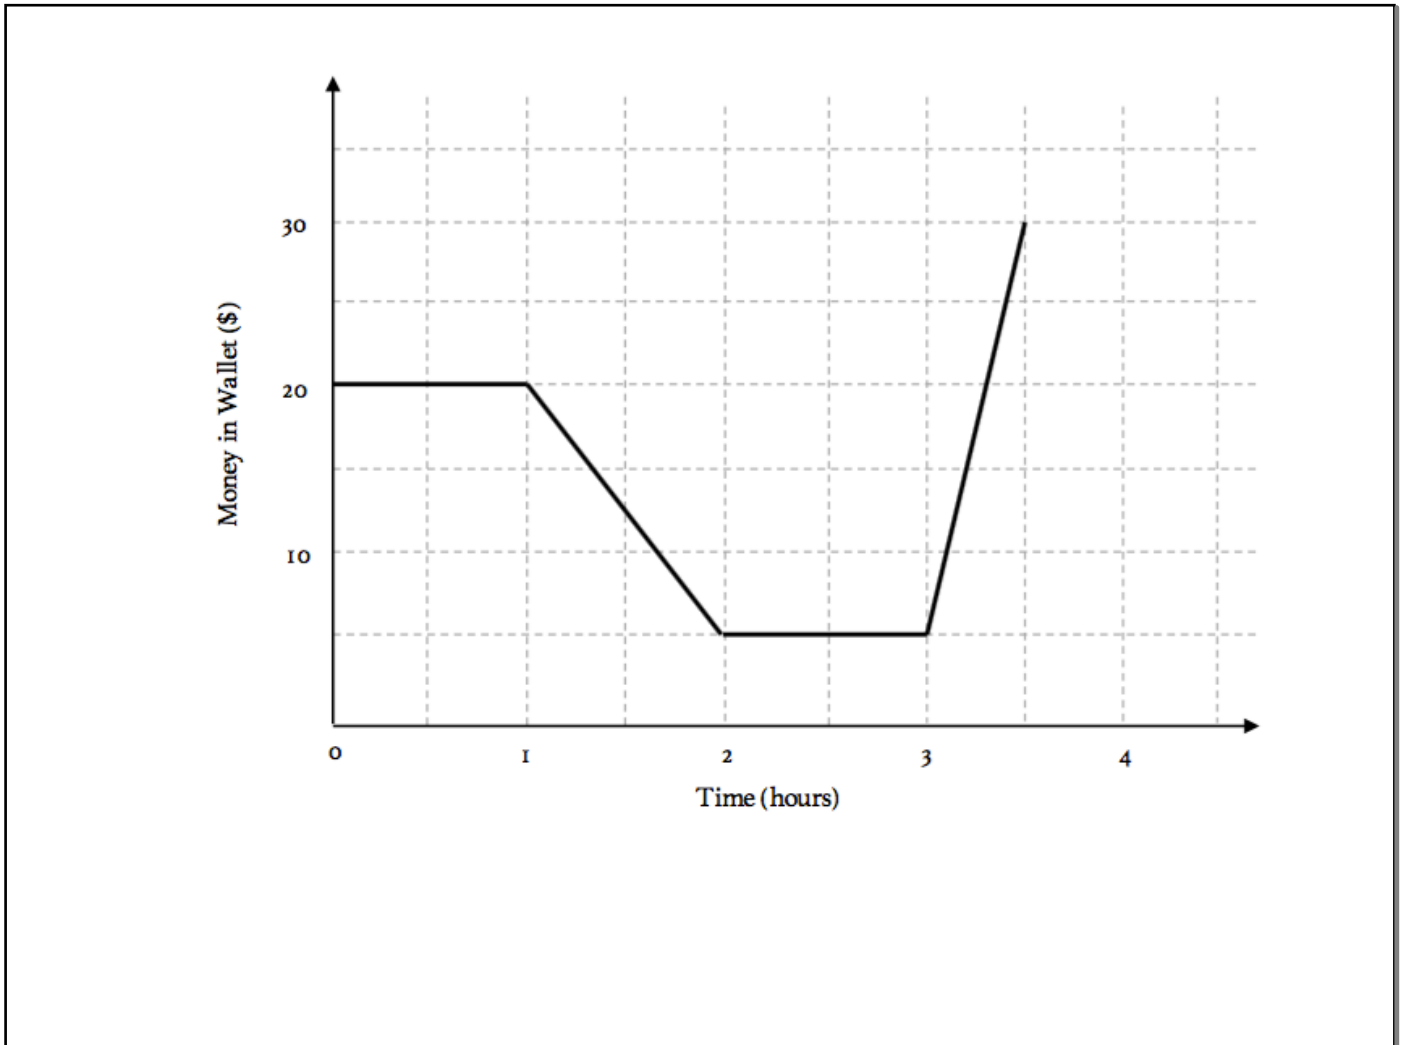

A

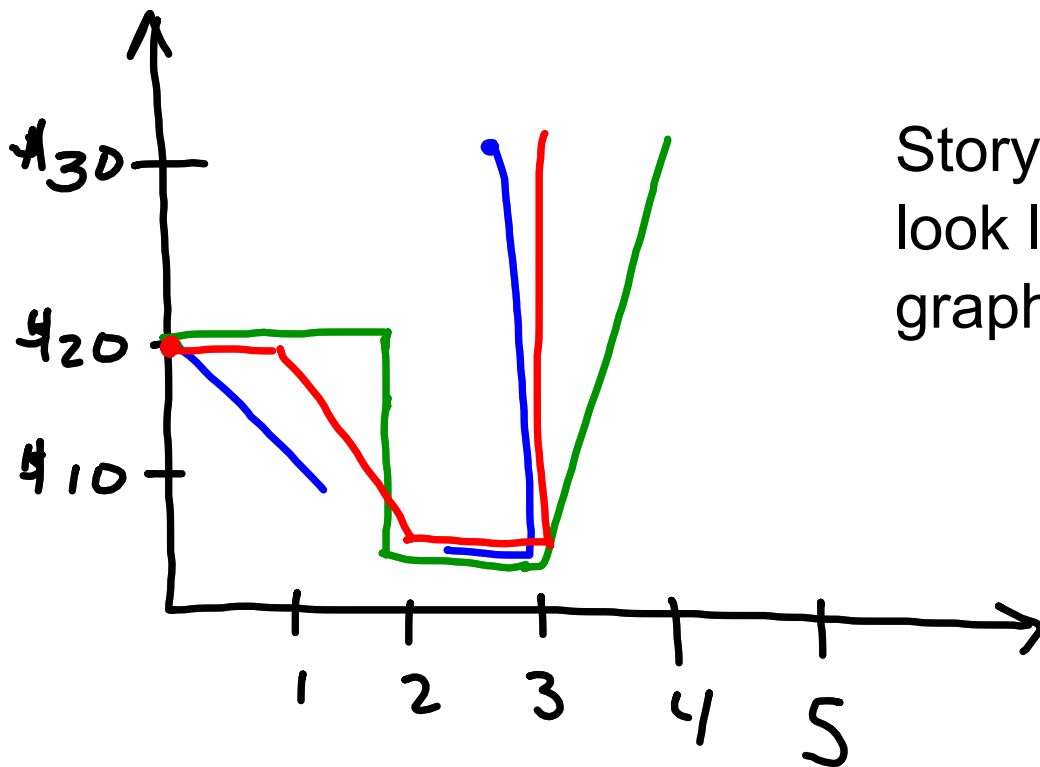

You begin watching your favorite movie.

f

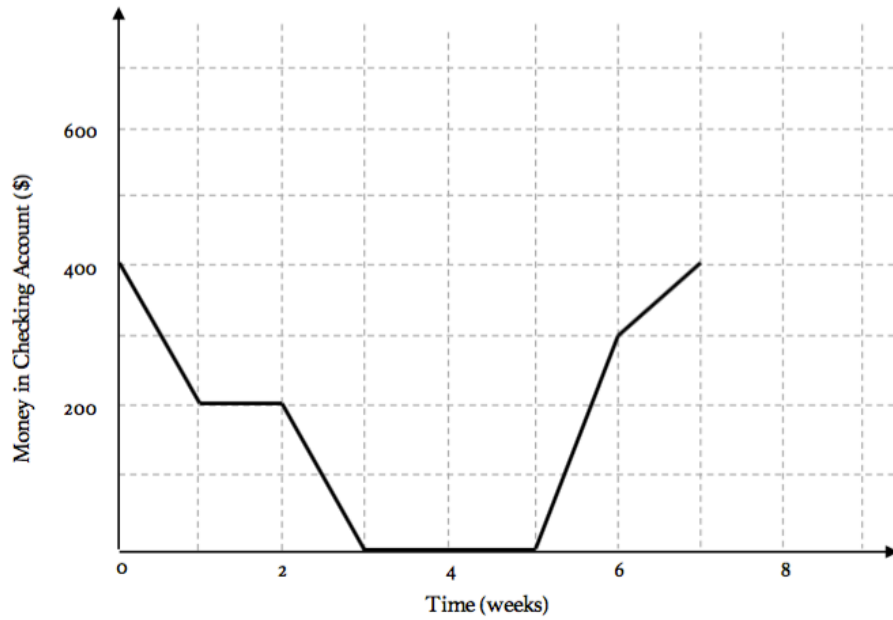

You watch your favorite scene three times.

Story should look like graph.

Practice  
story  
to go  
with graph.
